Glory be to Jesus Christ!

Dear Faithful of St. Nicholas Eparchy,

As we commemorate the third anniversary of the *Building our Faith Together, in Unity and with Gratitude Campaign*, I would like to thank you for your incredibly generous hearts and sincere prayers that helped us drive our Campaign to the point where we are now. Today, it is my pleasure to present our 2021/22 Annual Report.

This Campaign is the most ambitious capital campaign ever run for our Eparchy, and I am very proud of our mutual achievements. Your generosity has helped us make substantial progress toward achieving our critically important goals - to restore St. Nicholas Cathedral, to secure seed money for the St. Nicholas Eparchy Foundation, and to further improve administration and communication within our Eparchy.

However, our path has been paved both with successes as well as challenges. We have lived with you through a worldwide pandemic and now we bear witness to a senseless and brutal war in Ukraine. We must continue to support our brothers

This campaign is the most ambitious capital campaign ever run for our Eparchy...

and sisters in Ukraine to the extent we can, and we must pray for them as they deal

with extraordinary pain and challenges in the fight to maintain the independence of Ukraine. And we, the Ukrainian diaspora, must do this as we continue to address the many important needs of our community here, in the USA.

Therefore, I humbly and respectfully ask you to pray for the success of our Campaign, and to continue to support us as we work diligently to complete the restoration of St. Nicholas Cathedral, to sustain the long-term viability of our parishes and our Eparchy, and to support Ukraine to the best we can.

In the spirit of "unity and gratitude", may God bless each of you,

Most Reverend Benedict

Слава Ісусу Христу!

Дорогі вірні єпархії св. Миколая,

Відзначаючи третю річницю нашої кампанії "*Разом плекаймо нашу віру, у єдності і з вдячністю*", я хочу подякувати за Ваші надзвичайно щедрі серця і щирі молитви, які допомогли нам дістатися туди, де ми є сьогодні. Хочу з радістю презентувати Вашій увазі звіт капітальної кампанії за 2021-2022 роки.

Ця кампанія є найамбітнішою в історії нашої Єпархії, і я дуже пишаюся нашими спільними досягненнями. Ваша щедрість значно наблизила до досягнення наших критично важливих цілей, а саме - віднова катедр, початкові кошти для Єпархіальної Фундації, а також удосконалення адміністрування та комунікації в Єпархії.

Однак цей шлях був вимощений не лише успіхами, а й викликами. Ми з Вами пережили світову пандемію, а тепер ми є свідками безглуздої та жорстокої війни в Україні. Ми повинні і далі підтримувати наших братів і сестер в Україні наскільки можливо, і молитися за тих, які щодня переживають нестерпні страждання і біль, борючись за незалежність України. У той же ж час ми не можемо забувати про численні потреби нашої громади тут, у США.

Зі смиренністю і повагою прошу Вас молитися за успіх нашої кампанії та продовжувати підтримувати нас у наших стараннях завершити віднову катедр св. Миколая та забезпечити довгострокову життєдіяльність нашої Єпархії.

Нехай Бог благословить кожного з Вас,

Преосвященний Венедикт

CAPITAL CAMPAIGN OVERVIEW

CAPITAL CAMPAIGN OVERVIEW

The *Building Our Faith Together, in Unity and with Gratitude Capital Campaign* of St. Nicholas Eparchy began over a three years ago on May 12, 2019. It was undertaken to sustain the long-term viability of the Eparchy and to address the urgent structural issues of the 115-year-old Cathedral and to restore it to safely serve our generation and the future generations of our communities. Funds from the Campaign are also being used to develop Eparchial administrative resources and to seed an Eparchial Foundation to better support our parishes in financial need.

We are pleased to let you know that considerable progress has been made in our fundraising. Campaign donations are now **\$3,330,000**. Furthermore, considerable progress has also been made in the restoration of the Cathedral and in our pursuit of the other Campaign goals, most notably St. Nicholas Eparchy Foundation.

The mission of the St. Nicholas Eparchy Foundation is to help provide long-term support of the parishes, missions, monasteries, and ministries of St. Nicholas Ukrainian Catholic Eparchy. The financial goal of the Foundation is to have it grow from its initial funding from the Capital Campaign of \$100,000 to at least \$1,000,000. This will be achieved by conducting annual Foundation-focused fundraising campaigns and by organizing annual Eparchy-wide educational and youth-oriented events.

CAMPAIGN GOALS IN ACTION

CATHEDRAL RESTORATION

St. Nicholas Cathedral has been the preeminent edifice and place-of-worship in the history of the Ukrainian community in Chicago. Six generations of Ukrainian-Americans have worshipped in this magnificent Cathedral, which has helped give rise to numerous new Ukrainian Catholic parishes throughout the Western United States. It has also been recognized as one of the five most beautiful structures in Chicago.

Given the magnitude of the Cathedral restoration, the project has been divided into several phases, two of which have now been completed. The first phase, completed in late 2020, addressed the most urgent issues in the roof and the dome above the sanctuary. In December 2021, we finished the restoration of the entrance to the Cathedral, the roof and the three domes above. As you can see in the accompanying pictures throughout this report, the aesthetic achievement of the first two stages is beautifully evident and, more importantly, the structural issues have been resolved.

The focus of the current phase is on the restoration of the central section of the Cathedral, including the main dome and the 8 smaller surrounding domes.

MATCHING FUNDS PROGRAM

We are also pleased to let you know that several generous anonymous donors have established a Cathedral Matching Funds Program. These donors have committed to donating \$250,000 in matching funds if the Campaign raises \$500,000 in non-sponsorship donations by April 1, 2023. As of today, over \$270,000 was raised towards the matching funds goal.

DOMES AND CROSSES

NAMING OPPORTUNITIES PROGRAM

In 2021, the Campaign implemented an innovative program, the Cathedral Dome and Cross Naming Opportunities Program, which has been very helpful in stimulating additional support. It encourages support for the restoration of the Cathedral and at the same time creates an opportunity for a lasting legacy in memory of family and loved ones of the donors. This Campaign has been very enthusiastically received by our community. As of now, all 13 crosses and 12 of the 13 domes have been sponsored, including the main dome that has been committed by the Selfreliance Foundation (see p. 5 for details on sponsorship). If you are interested in discussing the sponsorship of the remaining dome, please contact the Stewardship & Development Office at 773-276-5080.

SUPPORTING PARISHES IN NEED

The Capital Campaign has funded \$100,000 in seed money to the newly-established St. Nicholas Eparchy Foundation, whose purpose is to better support our parishes, missions and monasteries, particularly those in financial need. (For more information, please see *Supporting Parishes* on p. 9).

CAMPAIGN GOALS IN ACTION

DEVELOPING EPARCHIAL RESOURCES

The St. Nicholas Eparchy oversees 39 parishes, 7 missions and 3 monasteries in the Midwest and Western United States. It performs numerous important functions to effectively support parishes, and to manage the Eparchial administration. In the last year, we have increased regular communication and

information sharing with parishes; enhanced our record keeping of vital statistics; better coordinated managerial and financial functions; addressed increasingly complex legal and immigration issues; and augmented fundraising, grant-writing, and many other important tasks that often remain invisible to those outside of the Eparchial office.

SUPPORTING UKRAINE

The war in Ukraine has significantly impacted all Ukrainians, and by extension, all Ukrainian organizations and initiatives. This is clearly the case with the Eparchial Capital Campaign, which has slowed considerably since the beginning of the war. In spite of this, the war has moved us to raise funds to provide humanitarian support for the Ukrainian people. In a short period of time, the Eparchy has raised \$242,354 as of end of May. Donated funds have been used so far to:

- purchase two medical vehicles for hospitals in Eastern Ukraine;
- send two food trucks for both internally displaced people and those remaining in war zones;
- support our parishes in Kharkiv, Donetsk and Odesa;
- at the request of the Chief Military Chaplain, print 100,000 pocket prayer books for Ukrainian soldiers in the war zone.

CAPITAL CAMPAIGN PLANS

CATHEDRAL RESTORATION

In April 2022 St. Nicholas Eparchy resumed the restoration of the Cathedral. This phase of the restoration is the most costly and will focus on the central portion the Cathedral. This includes roof repairs and replacement of the very large central dome and the 8 surrounding smaller domes. As can be seen from the picture below, this phase of the restoration is well underway.

In addition, we are happy to announce that a new *Naming Opportunities Program*, focused on the *stained-glass windows of the Cathedral*, will be introduced to our parishioners this summer. A naming gift is a visible way to show your support for the St. Nicholas Cathedral restoration, which includes replacing stained-glass windows with new ones and some cases refurbishing less damaged windows. Your generous gift will not only contribute to the restoration of St. Nicholas Cathedral, but also will allow you to leave a lasting legacy in memory of your loved ones.

CAPITAL CAMPAIGN PLANS

SUPPORTING PARISHES

The St. Nicholas Eparchy Foundation will help secure the future of our Eparchy and our Eparchial parishes. You can help by donating to the St. Nicholas Eparchy Foundation through a newly-created investment account at Charles Schwab Corporation. The funds from the appreciation of this account will be used to support not only our parishes in need, but also to support new ministries and missions.

A Board of Directors has been appointed by the Bishop to oversee the Foundation and in particular to review proposals submitted from eparchial parishes for consideration.

If you would like to learn more about Foundation or to invest in your parish in this way, contact the Stewardship & Development Office at 773-276-5080.

DEVELOPING EPARCHIAL RESOURCES

The Capital Campaign will continue to develop and strengthen communication with all of our parishes. The Stewardship and Development Office makes it a major priority to inform and update our parishioners about the latest developments in the Eparchy and our Church as well as the progress of the Capital Campaign. We will also continue to write grants, organize events, search for new funding opportunities, network to broaden the reach of our campaign message, and find new ways to effectively promote our Eparchy. We will continue to develop our financial and managerial resources and ensure that all the parishes and parishioners derive benefit from our work.

DONOR GENEROSITY

We are grateful to all faithful of St. Nicholas Ukrainian Catholic Eparchy who have been generously supporting the Capital Campaign. Every gift, big or small, is welcomed and helps us fulfill our vitally important Ep-

archial goals. The list below represents donors who have supported us with the following pledges and gifts and is accurate as of May 12th, 2022. All donations are recognized cumulatively.

WAYS TO GIVE

The Eparchy accepts a variety of payment options for donating to the Capital Campaign, including:

Cash / Check

Credit card or other online payments

Stocks or other securities

Your commitment can be fulfilled through monthly, quarterly, semi-annual or annual installments. Gift intentions are made in good faith but are not legally binding. All donations will be recognized cumulatively.

ADDITIONAL GIVING OPTIONS

There are many other ways of giving that may accommodate your current circumstances while allowing you to make a significant contribution to our campaign. Some examples include:

- Leaving a Gift in Your Will

A meaningful way to make a lasting impact is to leave a gift to St. Nicholas Eparchy in your will. One popular method of planned giving is to think of the Church as an additional heir. For example, if a donor has four children, they would divide their estate in five parts – one each for the children and one for the church.

- Real Estate

Donations of appreciated land or homes qualify for an income tax deduction equal to the full value of the property, and the donor avoids being taxed on the capital gains. If debt-free property is donated, the gift is deductible at the property's appraised value.

- Naming Opportunities Programs

Another wonderful way to donate to the Capital Campaign is to utilize the Naming Opportunities Programs, which allow you to leave a legacy in the Ukrainian Catholic Community in honor and memory of your loved ones. Contact the Stewardship & Development Office (capitalcampaign@esnuc.org) to learn more about the above options.
